BCA	
Shivam International School	2019
Class 12th	
Delhi Model Public School	2016
Class 10th	

PROJECTS

Portfolio Website

I designed and developed a comprehensive portfolio Website to showcase my academic journey and interests. The website is made with the use of HTML,CSS and JavaScript.

TechnoWisdom

It is a Educational website made using WordPress. I have used Elementor plugin and WPform for making of this website.
Have a look on screenshots-

Chatbot for Car booking

I have designed and developed an AWS powered chatbot for car booking services, which significantly improved the user experience and operational efficiency. In this I have used AWS lex tool service of AWS.
